1st April 2021

Dear Ratho Primary School Community,

I hope this letter finds you and your families safe and well. Our Easter break begins today and I would like to wish all in our school community a safe, peaceful and restful Easter holiday.

I know that it has been a very busy term indeed with many experiencing challenges over the last period of lockdown, the change in routines as we returned to school and also significant changes in staffing and leadership at Ratho Primary School. I would like to express sincere thanks for to all for your support of the school and support of your children's learning this term. We understand how difficult this has been at times and very much appreciate everything you have done.

The return of our pupils across the whole school has been so positive, with pupils and staff clearly enjoying being back in school. The sound of children's voices and learning buzz around the school is great to hear. We are very proud of the resilience and confidence shown by our young people – well done to all of them!

Please be aware that any parents/carers/pupils reporting a positive Covid test result during the holidays should report these to the City of Edinburgh Council contact centre - 0131 200 2000.

Again, I hope that you and your families remain safe and well over the Easter Break and enjoy your Easter holiday. We look forward to seeing the pupils for the final term when they return on Tuesday 20th April.

Warmest regards,

Peter Gibb
