11th June 2021

Dear Ratho Primary School Community,

I would like to offer my sincere thanks to the whole school community for your support over the course of this session. We have been living with the Covid-19 pandemic, another period of 'lockdown', home learning and restrictions on normal school practices; it has obviously been a difficult and challenging time for all. On top of this, the school has gone through a very significant change of leadership with a new Head Teacher and new Depute Head Teacher being appointed in the past few months. I appreciate the efforts of all staff, parents and carers in their efforts to provide and maintain learning opportunities and activities for pupils and pastoral care for families in our school community this session.

Alongside this letter, please find enclosed:

- Your Child's End of Session Report.
- Your Child's Attendance Report for this session.
- Your Child's Class allocation for next session (if required).
- Teachers & Staffing for next session (overleaf).

Although there is a box for parents/carers to return comment on the report, I request that you submit comments electronically next week. I will issue a Microsoft Form/survey next week to ask for parents & carers to comment on reports and also to help evaluate the school. We ask that you give feedback to us on both whole school matters and also individual or class related matters. We will then use the information gathered to help inform improvement and future directions of the school for next session and the future.

Yours sincerely,

Peter Gibb
