Dear School Community

I hope to see many parents and carers this evening at our Meet the Teacher event in school. Teachers will present and discuss planned curriculum content for each class **at 6pm then again at 6.30pm.** Class teachers' presentations and Curriculum Information Leaflets will then be posted on the class webpages on our website for ease of access.

In advance of this evening, I'd like to also share the following important documents which should help all in the school community with clarity of information on all things related to Ratho Primary and Nursery! Please find the documents attached and links as below:

The School Website: Has been revised and now contains everything you need to know about Ratho Primary School. Please spend some time browsing the pages to familiarise yourself with the information available.
