THE UNIVERSITY of EDINBURGH

wee Science

Science at Doors Open!

How do children learn to think and talk?

Are you amazed at how your child picks up language?

Our reseach group from the University of Edinburgh is looking for 5-6 year olds to play a quick and fun iPad game. It will involve a visual language made up of simple drawings.

The results will tell us more about how children learn language structures compared to adults.

Have fun while contributing to groundbreaking research – join us at the **Doors Open Days Festival** at the **Playfair Library** on **23 September, 11:00-16:00** and receive a £5 Amazon voucher!

With any questions about our study, email: **bbartha@ed.ac.uk**
